<b>Extraterrestrial Budget consumes America's precious resources</b>	<b>Ron Paul Plan to Restore America challenges secret trillion dollar black budget</b>
<p>Ron Paul's "Plan to Restore America" <b>would be</b> direct challenge to America's <b>Extraterrestrial</b> Budget.</p>	<p>Ron Paul's "Plan to Restore America" is a <b>direct challenge</b> to America's <b>secret trillion dollar Black</b> Budget.</p>
<p>Mr. Paul's plan to eliminate five cabinet level departments and trillion dollar budget cut appeals to a cross spectrum of American society, while also alarming some Americans that benefit from a host of programs funded by these Federal departments. It will be surprise to many that among those likely to be most alarmed by Paul's "Plan to Restore America" are not private citizens; but powerful corporate, government and military entities that use excesses, inefficiencies and waste in these five government departments as a cover for <b>project on Extraterrestrial-related activities</b>.</p>	<p>Paul's plan to eliminate five cabinet level departments and trillion dollar budget cut appeals to a cross spectrum of American society, while also alarming some Americans that benefit from a host of programs funded by these Federal departments. It will be surprise to many that among those likely to be most alarmed by Paul's "Plan to Restore America" are not private citizens; but powerful corporate, government and military entities that use excesses, inefficiencies and waste in these five government departments as a cover for <b>secretly funding a vast network of classified projects</b>.</p>
<p>The <b>Extraterrestrial</b> budget comprises single line items in the <b>U.S. Departmental budgets</b> that don't refer to any real weapons system. These single line items are apparent covers for a Congressionally sanctioned and publicly funded Extraterrestrial budget.</p>	<p>The '<b>official</b>' black budget comprises single line items in the <b>Department of Defense (DoD) budget</b> that don't refer to any real weapons system. These single line items are covers for a Congressionally sanctioned and publicly funded 'black budget'.</p>
<p>The <b>reported Extraterrestrial Budget</b> has the unique legal ability among all U.S. government <b>operations</b> to generate funds through appropriations of diverse U.S. federal government agencies and other sources "without regard to any provisions of law," and without regard to the intent behind Congressional appropriations.</p>	<p>The <b>CIA</b> has the unique legal ability among all U.S. government <b>departments and agencies</b> to generate funds through appropriations of other federal government agencies and other sources "without regard to any provisions of law," and without regard to the intent behind Congressional appropriations.</p>
<p>Every year, according to Catherine Austin Fitts, a former Assistant Secretary of HUD (United States Department of Housing and Urban Development), billions of dollars of Congressional appropriations are diverted from their Congressionally sanctioned purposes to <b>various organizations</b> without knowledge of the public and with the collusion of U.S. leaders.</p>	<p>Every year, according to Catherine Austin Fitts, a former Assistant Secretary of HUD (United States Department of Housing and Urban Development), billions of dollars of Congressional appropriations are diverted from their Congressionally sanctioned purposes to <b>CIA and DoD based intelligence agencies</b> without knowledge of the public and with the collusion of Congressional leaders.</p>
<p>The departments from which many of these black budget funds are secretly siphoned from are the very same as those proposed by Ron Paul for elimination: Energy, Housing and Urban Development, Commerce, Interior, and Education.</p>	<p>The departments from which many of these black budget funds are secretly siphoned from are the very same as those proposed by Ron Paul for elimination: Energy, Housing and Urban Development, Commerce, Interior, and Education.</p>
<p>As Ron Paul proposes balancing the federal budget within three years and cutting one trillion in costs in his first year with his "Plan to Restore America", <b>if</b></p>	<p>As Ron Paul proposes balancing the federal budget within three years and cutting one trillion in costs in his first year with his "Plan to Restore America", <b>he</b> directly challenges</p>

**implemented, his plan would** directly challenges those that benefit from America's "unofficial" Extraterrestrial budget. If the experiences of Catherine Austin Fitts are any guide, then the more success Paul enjoys during the Presidential primaries, the more likely **his plan will be marginalized by the Establishments which presides over an apparent Extraterrestrial budget.**
